# **COVID UPDATES**

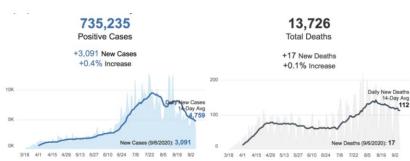

### Covid-19 Update

- Case rate decreasing
- Governor's Risk Level map by County
- Total of 7 positive cases within the company, last confirmed positive was 8/17
- No changes to protocols at this time
  - No carpooling, sharing of hotel rooms, etc.

September 7th Update

## **Statewide Metrics** Widespread Substantial Moderate 10.9 Minimal New COVID-19 Positive cases per day per 100K 6.0% Positivity Rate

## **Back to School! Remote Learning Tips**

- 1. Stick to a consistent schedule
- 2. Create a daily plan; include brain breaks
- 3. Incorporate physical activity; at least 60 min per day
- 4. Have all supplies on hand
- 5. Reduce distractions, devices and background noise.
- 6. Identify any barriers to learning
- 7. Provide positive feedback and rewards
- 8. Plan fun after school activities
- 9. Salvage special school moments and milestones
- 10. End each day on a positive note!

The challenge: Get out and play 60 minutes every day!	MON	TUES	WED	THURS	FRI
Hey kids! Write down the activity or color in the boxes for each school day you are physically active for at least 60 minutes.					
Kids need 60 minutes of play each day in order to be healthy, and this log will help you build the habit of daily physical activity. Not only is it good for your health, research shows that					
children who are active tend to do well academically!
