# SPRING RECHARGE TICKETS & GIFTS

Power up this spring with Charge Cares! Recharge your health, heart and spirit (and possibly your wallet!) by participating in these fun events aimed at raising money in celebration of Earth Month (April), and continuing to help others in our communities

## Sustainable Cow Plop Bingo

**\$50 square:** up to **\$500 Prize**

**\$20 square:** up to **\$200 Prize**

Buy a square for \$20 and/or \$50 with the hope that one of Megan Jenkin's family cows will "plop" in it! A max of 100 squares will be sold for each board with numbers randomly assigned. The more tickets sold, the bigger the prize (10% of total raised up to \$500 for the \$50 board, and \$200 for the \$20 board). Limit 1 square per person, per board. This event is being held in collaboration with the Charge Sustainability team and shared via video.

## Aim High and Low Roller Plinko

**2 grand prizes**  
**16 total winners**

We're breaking out Mike's Plinko board to give away prizes to 16 different winners! Buy in at \$20 or \$50 (or both!). Eight names will be drawn for a slot on each board with a guaranteed prize and chance to win the grand Plinko, such as Aim High event entry, Tenaya Lodge Spa gift certificate or Yeti merchandise - winner's choice! Prize value TBD; limit 1 ticket per person, per board. Thanks to the Aim High team for supporting this event!

## ReCharge Step Challenge

**All entered! Team**
