ABOUT TACK-F

The Taya and Chris Kyle Foundation (TACK-F) was founded by Taya Kyle to honor the life and legacy of her husband “American Sniper” Chris Kyle.

Chris and Taya knew first-hand the challenges encountered by military and first responder families. Prior to his untimely passing in February 2013, Chris was working on his vision for TACK-F to support military and first responder marriages and families through many of the difficulties he and Taya experienced post-deployment.

Today, Taya Kyle and the TACK-F Team are dedicated to fulfilling Chris’s vision of stronger, more empowered marriages and families.

Everyday the TACK-F Team works to improve the lives and marriages of those who serve.

“Chris and I both believed in paying it forward and we wanted to give this same opportunity to other families in our community—first responder and military families.”

–Taya Kyle
